Kent's Korner: "Happy Mother's Day!"

Since Mother's Day is just around the corner, I thought I would share a few mom quotes that will have you smiling:

1. "Silence is golden. Unless you have kids. Then silence is suspicious!" Sure, they might be trying to surprise you by silently making all the beds and leaving a chocolate on the pillows. Or, they might be trying to hide from you because they jumped on all the beds and smeared chocolate on the pillows! Hopefully it's not the latter.
2. "I don't want to sleep like a baby. I want to sleep like my husband." It's like he doesn't even hear them crying. And why is "sleep like a baby" such a popular saying? Babies are often the worst sleepers – they flail, snore, and wake up every few hours.
3. "Yes, please get a new cup every time you need a drink of water" – said no mom, ever!
You will never hear a mom say "I simply adore doing dishes". There's nothing like getting to the end of the day and having put 27 glasses in the dishwasher, even though there are only 4 people in your family!

A MOTHER'S DAY PRAYER: Lord, on this day in which we honor mothers, may we love and cherish the special women who have born us, who have nurtured us, and who have prayed for our well-being. May our hearts overflow with gratitude to You, Lord, who formed and knitted each of us in a mother's womb. We pray that You give wisdom and strength to each mom. We ask that You be the daily bread of tired mothers. And may each mother find rest in You. Amen.
